

DESERT CANYON GOLF RESORT

January 3rd, 2010

Dear Desert Canyon Golfer:

Thank you for an excellent 2009 season. Whether you played one round or countless rounds, we appreciate your business. The staff worked hard to ensure the Desert Canyon Experience was momentous last year. Thank you for being part of it.

Superintendent Todd Benzel, Assistant Superintendent Randy Rendon and their staff once again did an excellent job keeping the golf course both beautiful and playable. The course conditions were the best they have been in many years. Mark Rhodes arrived last spring and quickly did an excellent job coaching the staff to provide great service to all of our guests. The Golf Course was a fun place to be this year because of Mark's hard work and good-humored personality.

Your choice to play golf here year after year and again in 2009 is the reason we try so hard to continually provide a better product. We will work hard to continue to enrich lodging, food, golf and service in 2010.

We have a lot of exciting things happening this season. Groups are already beginning to take up space on our tee sheets. Rooms are beginning to book at the lodge. Below you will find several pages of 2010 information. Please notice that there is a new category on the Rate Sheet. Very competitive package prices are listed by the season. These rates are an outstanding value and will be applicable as long as occupancy requirements are met in each room type. Please take some time to look over what information might pertain to you.

Please stop by, give us a call or send an email if you have questions. We have forwarded phone calls to the Lodge for the winter and have knowledgeable staff available seven days a week to answer questions and book any type of reservations for 2010. Again, thank you for supporting Desert Canyon in 2009. We look forward to seeing you again in the spring.

Sincerely,

Desert Canyon Management and Staff
